Senator Stroebel and UW President Cross to Tour Senate District

Stops planned at UW-Washington County and Cedarburg High

Madison, WI – Tomorrow, Senator Duey Stroebel (R-Cedarburg) will welcome UW-System President Ray Cross to West Bend and Cedarburg. President Cross will tour and participate in roundtables at the University of Wisconsin – Washington County and Cedarburg High School.

“Having worked with President Cross on legislation to improve higher education opportunities for our state’s best and brightest, I am excited to have Ray join me in the district to talk with students at a local high school and UW college,” said Stroebel. “Part of the tour will focus on Ray’s attempts to focus on the cost of higher education. Many students do not realize there are many ways to significantly decrease the cost of their education including attending a local two year college or accomplishing college credit in high school. Ray and I will get a hands-on-look at both of these options.”

Media are invited to attend the tour. The tour begins at UW-Washington County at 8:30am. The tour at Cedarburg High School will begin at 10:30am. Stroebel and Cross will have lunch with high school students at 11:45am.
